Part A - Mt. Kilimanjaro Expedition | \$4899 | January 22 - January 31, 2020

The ancient 19,341 ft. summit of Mount Kilimanjaro has offered a mysterious attraction for explorers, writers, and climbers for over a century. The climb, while not technical (no ice axe or crampons) still requires trekking nearly 45 miles over eight days with elevation gains of 12,000 feet from trail head to summit. Enjoy time for acclimitization with a welcome day that includes an Arusha National Park safari along with time for important pre-hike logistics. Enjoy the beautiful Kilimanjaro Lemosho 8-day route.

Part B - Tanzania Wildlife Safari | \$5099 | January 31 - February 8, 2020

A safari will give incredible opportunities to view numerous species of African wildlife and birds including visits to Arusha National Park, Tarangire National Park with its remarkable elephant herds, natural wonder Ngorongoro Crater Wildlife Reserve, and the amazing Serengeti National Park wildebeest migration.

Part C - Zanzibar Beach Vacation | \$949 | February 8 - 11, 2020
